

EMC Filter
RSEV Series – 250Vac, 6 – 30A

TDK-Lambda

Points clés produit

- Format compact
- Connexion via Borniers à vis
- Vis imperdables – fini les pertes de vis
- Kit accessoires montage DIN Rail

Spécifications essentielles

- Disponibles en 6, 10, 16, 20 et 30A
- Entrée tension de 250VAC ou 250VDC
- T°C de -25°C à +85°C (De-rating > 55°C)
- Dimensions: 39 x 85 x 30 mm

Applications typiques

- Systèmes industriels
- Test & Mesure
- Equipement de communication

Product Highlights

- Compact size
- Integrated terminal block
- Captive screws – No lost hardware
- DIN Rail Mount accessory kit

Key Specifications

- 6, 10, 16, 20 and 30A ratings
- 250Vac or 250Vdc input voltage
- -25°C to +85°C (De-rate above 55°C)
- 39 x 85 x 30mm size

Typical Applications

- General purpose industrial
- Test and measurement
- Communications equipment
